

What Can I Do to Help?

Thank you for supporting the Miracle Mile Walk benefiting University Hospital's Breast Health Center and the Women's Wellness on Wheels mobile unit! In addition to raising funds using your Registration Envelope, there are other ways to support women and men in our community fighting breast cancer. **Participants who raise \$100 or more for the Miracle Mile Walk receive one free T-shirt.**

Go Online: Go to www.theMiracleMileWalk.org and register as a participant and/or join a team. From here, you can use social media and/or email to direct friends and family to the Walk's website where they can register or make a donation. They also can support your fundraising efforts by selecting "Sponsor a Participant," searching for your name and making a donation, which is credited to your Walk page.

Hit the Streets (or at least the mailbox): Make copies of the enclosed Donation Form and mail or hand it out to individuals or businesses. Ask them to include this form when they mail their gift to the Foundation. Make sure to place your name and, if you have one, your team name at the top of the form before copying it. The Foundation will add the donation to the Miracle Mile Walk website, linking it to your name and team.

Who can you ask? Ask friends, neighbors, family members, churches and businesses you frequent and encourage them to make a donation to the Miracle Mile Walk in your name.
